

Crop Supervisor – Elm Street

Category: Tomatoes

Job type: Fulltime

Location: GH4 - Elm Street

Closing Date: Sunday, 23rd January 2022

ABOUT THE JOB

The Supervisor ensures glasshouse daily activities of the glasshouse are being performed by workers to meet specified standards for production, quality, hygiene and safety.

A key focus for Supervisors is the development of the skills and performance of individual workers, promoting a positive work team environment and resolving issues in collaboration with the Assistant Grower in accordance with Costa HR and related policies. The supervisor also monitors the tomato crop and glasshouse environment to identify issues and recommend appropriate remedial/preventative actions to ensure a successful crop.

ABOUT YOU

- Minimum of 1 year of experience in a tomato glasshouse environment, preferably with experience in all areas of crop work;
- A good knowledge of tomato crop nutrition, pest and disease management and growing strategies;
- Proven ability to monitor the crop and glasshouse environment, identify and investigate issues and make timely reports and recommendations;
- Good understanding and ability to use relevant glasshouse management systems including Priva and Nitea;
- Good communication skills and the ability to effectively lead a team;
- Ability to work independently and also effectively as part of a team;
- Be outcome focused with a track record of achieving performance, quality and safety targets;
- Excellent attention to detail, time management and organisational skills;
- Good IT skills including the use of MS excel and Outlook;
- Commitment to WHS, quality, hygiene and food safety.
