

Facility Supervisor

Category: Vertical Farming Mushroom **Job type:** Fulltime

Location: Mernda, Victoria

Closing Date: 8 December 2023

About us:

The Costa Mushroom team is passionate about growing the best quality mushrooms. Our carefully managed crops are tendered by our highly skilled team of committed growers. With full ownership of our farm, we retain control of the entire growing and distribution process and can confidently deliver the freshest, highest standard of mushrooms.

About the role:

We are currently seeking a Facility Supervisor to join our dynamic team based in Mernda, Victoria. In this position you will pro-actively facilitate the correct and efficient movement and handling of product to meet customer requirements.

Key responsibilities include:

- Ensure daily operational plans meet the requirements of internal customers and enable successful realisation of production targets – daily/weekly/monthly while complying with company policy.
- Monitor movement of product through the various stages of production.
- Monitor quality of product through the various stages of production.
- Resolve daily workflow issues.
- Undertake departmental duties as required, maintaining the QA requirement of product traceability data.

About you:

- Previous experience in a similar role or industry preferred.
- Good problem-solving skills.
- Good communication and conflict management skills.
- Intermediate computer skills.

Salary range \$65,000-\$70,000 per annum
